

5 Star Athletics Softball Camps

★ 5 Star Athletics is back again this year to provide you with the skills essential to compete in your league. We are now in our 9th year of summer camps...our staff is dedicated to providing the ultimate softball experience. Though we continue to grow, we haven't lost the personal touch. We pride ourselves in keeping the instructor to athlete ratio down to promote personal attention in a group atmosphere.

★ We strive to use the latest and most effective skills and drills used by Olympic coaches and athletes. These are presented in a positive and creative teaching style. We continue to be students of the game, learning from coaching clinics and updating our teaching methods.

★ Our softball camps are designed for interested girls ages 8 - 18, from the beginner to the athlete looking to perform at the next level. The camp separates athletes by age and skill level to ensure each receives the best instruction possible. All aspects of the game will be covered.

STAFF

Our camp staff draws its experience from over 30 years of competing at the collegiate level. They are personally chosen to support our philosophy and ensure the highest quality of instruction. Communication between the staff is essential to remain consistent in teaching methods. All instructors have played at the collegiate level; staff includes current and former Division I collegiate coaches, high school coaches, and travel ball coaches. All instructors have been background checked and have logged numerous hours working at various camps and clinics.
