

CAC Spring Basketball Overview

Open to Boys, and Girls, ages 8-14 (based on child's age as of Sept 1 2009)

Fee, \$75, registration deadline is Feb 25. We may close individual age groups earlier as they reach optimal numbers.

There will be 1-2 practices per week, on weeknights, in Crofton, beginning week of 1 March . Practice schedules are dependent upon gym availability, and availability of coach, we cannot specify any practice schedule until teams are formed and coaches are identified.

Games held Sunday afternoons noon- 8 PM, beginning March 21, in Anne Arundel County school gyms around the County- 10 game season (exception- "A" leagues will likely play weeknights, to accommodate the AAU-level tournament teams it will likely include.)

The County's intention is that by staging Sunday games, Spring Basketball will de-conflict with traditional Spring sports, and will allow more kids who want to do both, to play both.

Also, the goal is to avoid some of the scheduling snafus which occur with the host schools when the games are scheduled during the week.

CAC will issue shirts which the kids will keep.

Competition will be County A, B, and C levels.

There will not be a try out, we will instead try to place all kids who register based on current playing level. If the majority of a current County team signs up, we will attempt to keep everyone from that team together for spring. We will fill-combine teams as it makes sense.

An evaluation session, may be necessary—TBA.

We will place UP TO 12 kids on a team, based on registration numbers--
