

All CAC Members.

We had a great turnout Sunday—242 members came to vote! I am pleased to announce we have a great new group set to join the Board.

I am also pleased to announce that both proposed By Law amendments received the required votes (182, of 242 cast) to enact. From the Board—Thanks!

Again I wish to thank many, many people who have been wonderful to work with during my six years on the Board. Thanks to John Malamphy, and Leo Cromartie who along with me, finished their terms with this election. Thanks to Brendan Gaeng, Mike McCarthy, Rich Sedgwick, Terry Brennan, Ashley B, and Mike Walsh for staying so late to count the vote. Someone remember pizza next time.

I know that this new Board will continue to take steps to maintain and further improve our organization, already acknowledged as one of the best in the County.

We had an unusually large number of folks throw their hats in to the ring for the seven available seats—to those who were not elected-- thank you for running! There are many ways you can help the organization other than sitting on the Board-- please consider offering your talents in some other capacity, there is a lot to be done!

The new Board will next convene on Sunday May 16, 7 PM at Town Hall. The new Board will elect its officers from among the At Large directors at this meeting.

Again, thanks and Good Luck!

Phil Rindone

Elected- Congratulations--
